

**Job Title: Intermediate Civil/Municipal Engineer****Location: Moncton, NB****Company: JRD Engineering Ltd****Salary: Starting \$80,000/year (based on applicant's experience)****About Us:**

JRD Engineering Ltd has been locally owned and operated since 1986 and is a leading engineering consulting firm specializing in municipal infrastructure projects. The team provides land development consulting services to a diverse clientele throughout the province of New Brunswick. Join our dynamic team and contribute to shaping the future of our communities.

**Job Description:**

We are seeking a motivated and skilled Intermediate Civil/Municipal Engineer to join our team in Moncton, NB. The successful candidate will be responsible for planning, designing, and overseeing various municipal infrastructure projects including roads, water distribution systems, sewage systems, and stormwater management.

**Responsibilities:**

- Conduct feasibility studies and prepare technical reports for municipal projects.
- Develop detailed engineering designs and plans using AutoCAD Civil 3D, and other engineering software (HydroCAD, Bentley OpenFlows WaterCAD, etc.)
- Coordinate with clients, contractors, and other stakeholders to ensure project requirements are met.
- Prepare cost estimates.
- Conduct site inspections and monitor project progress to ensure compliance with specifications and standards.
- Assist in the preparation of proposals and tenders.
- Provide technical guidance and support to technicians.
- Ensure all projects comply with relevant municipal, provincial, and federal regulations.

**Qualifications:**

- Bachelor's degree in Civil Engineering.
- Professional Engineer (P.Eng.) designation.
- 3-5 years of experience in municipal engineering or related field.
- Proficiency in AutoCAD, Civil 3D, and other relevant engineering software.
- Strong understanding of municipal infrastructure design and construction practices.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a team.
- Strong organizational and time management skills.

**Benefits:**

- Competitive salary and performance bonuses.
- Paid personal days.
- Health and dental insurance.
- Professional development opportunities.
- Pension plan.
- Flexible work schedule.
- Supportive and collaborative work environment.

**How to Apply:**

Interested candidates are invited to submit their resume and cover letter outlining their qualifications and experience to **info@jrdeng.ca**. Please include **"Intermediate Civil/Municipal Engineer Application"** in the subject line. Only candidates selected for an interview will be contacted.
